AMENDED AND RESTATED AS OF AUGUST 5, 2014

Purpose

The audit committee (the “Committee”) of the Board of Directors (the “Board”) of Glowpoint, Inc., a Delaware corporation (the “Company”), is appointed by the Board for the purpose of overseeing (a) the Company’s accounting and financial reporting processes and the audits of the Company’s financial statements, (b) the integrity of the Company’s financial statements and internal controls, (c) the Company’s compliance with legal and regulatory requirements, (d) the independent registered public accounting firm’s qualifications and independence and (e) the performance of the Company’s internal audit function and the independent registered public accounting firm.

Committee Membership

General Composition Requirements

The members of the Committee (the “Members”) shall be appointed by the Board and shall serve at the discretion of the Board. Subject to the provisions set forth under “Smaller Reporting Company Composition Requirements” below, the Committee shall consist of at least three directors of the Company, each of whom:

- (i) must satisfy the independence standards specified in Section 803A of the Company Guide of the NYSE MKT LLC (the “NYSE MKT”) and Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the “Act”);
- (ii) must not have participated in the preparation of the financial statements of the Company or any current subsidiary of the Company at any time during the past three years; and
- (iii) must be able to read and understand fundamental financial statements, including the Company’s balance sheet, income statement, and cash flow statement.

In addition, at least one member of the Committee must be financially sophisticated, in that he or she has past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience or background that results in the individual’s financial sophistication, including but not limited to being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities. A director who qualifies as an audit committee financial expert under Item 407(d)(5)(ii) and (iii) of Regulation S-K will be presumed to qualify as financially sophisticated.

Notwithstanding the foregoing Committee membership requirements, one director who is not independent as defined in Section 803A of the NYSE MKT Company Guide, but who satisfies the requirements of Rule 10A-3 under the Act and is not a current officer or employee of the Company or an immediate family member of such an officer or employee, may be appointed to the Committee if the Board, under exceptional and limited circumstances, determines that membership on the Committee by the individual is required by the best interests of the Company and its stockholders, and the Board discloses, in the Company's next annual meeting proxy statement (or in its next annual report on Form 10-K or equivalent if the Company does not file an annual proxy statement) subsequent to such determination, the nature of the relationship and the reasons for that determination. A Member appointed under the exception set forth in the preceding sentence must not serve in excess of two consecutive years and must not serve as chairperson of the Committee. As used herein, (i) "immediate family member" includes a person's spouse, parents, children, siblings, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, and anyone who resides in such person's home (other than domestic employees), and (ii) "officer" shall have the meaning specified in Rule 16a-1(f) under the Act, or any successor rule.

Smaller Reporting Company Composition Requirements

During such time as the Company satisfies the exception provided in Section 803B(2)(c) of the NYSE MKT Company Guide for Smaller Reporting Companies as defined in Item 10(f)(1) of Regulation S-K, the Committee shall only be required to consist of at least two members comprised solely of independent directors who also meet the requirements of Rule 10A-3 under the Act.

Cure Periods for Defaults in Composition Requirements

If the Company fails to comply with the Committee composition requirements set forth in this "Committee Membership" section of the Charter because a member of the Committee ceases to be independent in accordance with Section 803A of the NYSE MKT Company Guide and/or the requirements of Rule 10A-3 under the Act for reasons outside the member's reasonable control, the affected member may remain on the Committee until the earlier of the Company's next annual stockholders' meeting or one year from the occurrence of the event that caused the member to be no longer independent.

If the Company fails to comply with the Committee composition requirements set forth in this "Committee Membership" section of the Charter because a vacancy arises on the Committee, and the cure period set forth in the preceding paragraph is not otherwise being relied upon for another member, the Company will have until the earlier of its next annual stockholders' meeting or one year from the occurrence of the event that caused the failure to regain compliance; *provided, however*, that if the annual stockholders' meeting occurs no later than 180 days following the event that caused the failure to comply with the Committee composition requirement, (i) except as set forth in clause (ii) of this sentence, the Company shall instead have 180 days from such event to regain compliance and (ii) during such time as the Company is a Smaller Reporting Company as defined in Item 10(f)(1) of Regulation S-K, if the annual stockholders' meeting occurs no later than 75 days following the event that caused the

failure to comply with the Committee composition requirement, the Company shall instead have 75 days from such event to regain compliance.

The Company shall provide the NYSE MKT with notice of the foregoing events as may be required under the NYSE MKT Company Guide.

Unless the Committee by resolution determines otherwise, any action required or permitted to be taken by the Committee may be taken without a meeting if all members of the Committee consent thereto in writing and the writing or writings are filed with the minutes of the proceedings of the Committee. The Committee may form and delegate authority to subcommittees when appropriate.
